

Silent High-Power Book Shredder

Twenty Years of Design Expertise, Proven Client Applications, and Innovative Global Technologies

As a pioneering new product, it integrates two decades of engineering excellence, extensive client application cases, and globally innovative technology.

Features include but are not limited to:

- **EHS-Friendly:**

Fully compliant with multinational companies' Environmental, Health, and Safety (EHS) standards.

- **High Efficiency, Low Energy Consumption:**

Saves costs while delivering exceptional performance.

- **Zero Leakage:**

No material leakage, no dust emissions, and no material return during operation.

- **Handles Extreme Materials:**

Suitable for ultra-thick and super-hard materials.

- **Adaptable to Low-Melting Plastics and Rubber:**

Ideal for processing heat-sensitive materials.

- **Compatible with Glass Fiber and Mineral Materials:**

Designed for tough, abrasive substances.

Preferred by Industry Leaders

The first choice for multinational corporations, industry leaders, and Fortune Global 500 enterprises.

Technical Specifications | YD-SL700

Product Model	YD-SL700
Inlet Dimensions (mm)	600*300
Number of Sheets Shredded 🥕	400-600
Shredding Capacity 🍑	400-600kg/h
Motor Power	15kw, 380V
Shredded Size 🍓	8mm (Customizable)
Dimensions (mm)	1550*1230*2350
Weight (kg)	900

* This table of contents product specification only supplies the reference, the actual product take produces goods as.

🥕 For Long-Term Operation: Feed materials evenly and wait until the materials in the shredding chamber are fully processed before adding more.

🍓 Customizable Sizes: Available in 1mm, 3mm, and 5mm specifications. For additional options, please contact customer service.

🍑 Shredding Capacity: The listed capacity is the maximum, applicable to hard plastics. For materials like paper, the shredding capacity decreases and depends on the output size (larger sizes process faster). For shredding paper, a 3cm output size is recommended for faster processing.

About YUEDE Shredders

Shanghai YUEDU Technology Co., Ltd. is a **Shanghai-certified high-tech enterprise** specializing in the development and manufacturing of **shredding and destruction equipment**. We serve a wide range of sectors including **government agencies, financial institutions, military departments, enterprises, and recycling industries**.

Our offerings include **office and industrial-grade paper shredders, hard drive destroyers, plastic crushing systems, and fully customized destruction center solutions**. From design to delivery, we help clients achieve efficient, secure, and compliant material destruction.

Our Mission

We are dedicated to the shredding and destruction industry, continuously solving diverse material shredding and disposal challenges for our clients around the world.
